BID # 2016-56
FAIRMONT STORM SEWER RFQ
WILL COUNTY, ILLINOIS

APRIL 18, 2016

ADDENDUM 1

We received the following question regarding the bid listed above:

Question # 1: We are planning on pursuing this project via submission of our qualifications. We would like to arrange for a site visit to assess the existing conditions and overall scope of work. Would it be possible to meet with relevant county personnel to discuss issues such as:

- connection points,
- right of way,
- previous plans and studies,
- and so forth?

Answer # 1: This is currently a "Request for Qualifications" only, thus all we require are qualifications at this time. County Staff would not be available to meet with you; however, you are free to explore the Fairmont area on your own.

A link was included in the RFQ to view the previous Fairmont Flood Study and can be found at:
<http://www.willcountyillinois.com/County-Offices/Economic-Development/Land-Use/Administration-Planning/Long-Range-Planning-Projects>

After responses have been evaluated, if selected for presentation/interview, other topics/issues will be discussed at that time.
