- (1) Right to Protest. Any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the County Executive. Any protest must be submitted in writing within ten (10) calendar days from the issuance of the solicitation, addendum, and notice of award or other decision by the County Executive, County Board, or awarding official.
- (2) Stay of Procurement during Protest. - (3) Entitlement to Costs. When a protest is sustained and the protesting bidder or offeror should have been awarded the contract under the solicitation but is not, then the protesting bidder or offeror shall be entitled only to the reasonable costs incurred in connection with the solicitation, including bid preparation costs other than attorney's fees.

Any protest concerning the award of a contract shall be decided by the Purchasing Department. Protests shall be made in writing to the Purchasing Department and shall be filed within three (3) business days of issuance of award notification. A protest is considered filed when received by the Purchasing Department. The written protest shall include the name and address of the protestor, the IFB number, a statement of the specific reasons for the protest and supporting exhibits. - (5) Prior to Award. If after bid opening or closing date for receipt of bids, the County Executive, after consultation with the State's Attorney, determines that a solicitation or a proposed award of a contract is in violation of federal, state, or local law, then the solicitation or proposed award shall be canceled.

(6) After Award. If, after award, the County Executive, after consultation with the State's Attorney, determines that a solicitation or award of a contract was in violation of applicable law, then the matter shall be considered at the next County Board meeting.

2.17 No bid will be accepted from, or contract awarded to, any person, firm, or corporation that is in arrears or is in default to the County upon any debt or contract, or is a defaulter, as surety or otherwise, upon any obligation to said County, or has failed to perform faithfully any previous contract with the County.

2.18 All completed bids and supporting documentation submitted shall become the exclusive property of the County. No bids or documents will be returned.

2.19 Until such time as a Contract is awarded, no bidder, prospective or otherwise, shall be provided access to any supporting bid documents received by the County. All supporting bid documents shall be held strictly confidential and shall be reviewed and evaluated solely by County employees. Such documents shall not be released for distribution under the Freedom of Information Act (as noted in Section 17.14) until such time as the Contract has been awarded. Violation of this clause by any bidder, prospective or otherwise, shall result in automatic disqualification of the bidder from being awarded the Contract. Violation of this clause by the County may result in (1) temporary withholding of cash payments pending corrections of the deficiency by the County or other more severe enforcement action; (2) disallowing of both, use of funds and matching credit for all or part of the costs of the activity or action not in compliance; (3) whole or partial suspension or termination of the County's program; (4) withholding of further awards for the program; or (5) other remedies that may be legally available. Actions that result in the violation of law will be referred to the appropriate local, State or Federal authority having jurisdiction.

SEALED BID: **RIVER VALLEY FOOD SERVICE**

BIDS DUE: **MAY 16, 2018 at 2:00 p.m.**

Bids shall be addressed to the Will County Purchasing Department, Will County Office Building, 302 N. Chicago Street, Joliet, IL. 60432.

2.21 **EVALUATION CRITERIA:**

Will County will use the following criteria to evaluate the submitted bids. Contractors will receive a Pass/Fail rating in each category. Contractor(s) must receive a passing rating in all categories to be considered a "responsive, responsible" bidder.

Compliance with Instructions/Bid Specifications: The bid will be evaluated for compliance with the instructions set forth in this IFB. Significant non-compliance may be grounds for disqualification. Failure to sign the response or late response (past the opening deadline) will cause the bid to be rejected. All required mandatory submittals must be submitted to receive a passing evaluation.

Service and Support: This section will be evaluated on the Bidder's demonstrated levels of service and support. To receive a passing rating, at a minimum, the bidder must:

Operate a staffed kitchen where fresh meals will be prepared (no cooked or partially cooked food to be brought in from elsewhere, with the exception of contingency plans when no kitchen service is available)

Provide sufficient trained support staff to provide coverage for daily meal and snack preparation, 365 days a year, and adequately cover employee vacations, sick calls, emergencies, etc.

Credentialed Dietary Consultant to construct 21-day meal plans

Staff Qualifications: This section will be evaluated on the basis of the Bidder's demonstrated staff qualifications. Include resumes of the qualified staff with your bids. Declaration of any subcontractors should also be included. To receive a passing rating, at a minimum, the bidder must:

Maintain a trained staff that shall be on duty for all 21 meals served each week. Employ management that has experience in small site food services

Provide sufficient staff to provide an efficient operation, including administrative, dietetic, purchasing, accounting, supervision, and technical assistance and planning.
Presence of an on-going training program for employees

Similar Project Experience: This section will be evaluated on the basis of similar project experience and length of service in these markets. To receive a passing rating, at a minimum, the vendor must:

Provide a record of service that includes five (5) references, (with at least two (2) involving correctional or residential treatment program settings) with satisfactory referrals.

Contingency Plan: This section will be evaluated to ensure that the Contractor has a "workable" plan in place to provide service in any of the events listed on Page 25, Section 5.19, under CONTINGENCY PLANNING. At a minimum, the Contractor shall provide a plan for a designation of off site location(s) for food preparation (In contingency plans, any facility outside that the Contractor proposes to prepare meals, must maintain its health certification, while operating under this contract) , alternative staffing plans and any other information that would demonstrate the capability of responding to catastrophic occurrences.

Delivery Schedule: The bid will be evaluated to ensure project deliverables can be provided to Will County in a timely manner. The bidder must have proven ability to begin the contract **August 3, 2018.**

Offeror's Financials and Performance Bond: The bid will be evaluated to ensure financial stability and capability of the Bidder. The vendor shall submit a performance bond in the amount of 20% of the total estimated bid after award but prior to start up. All bids must be accompanied by an agreement of surety (Consent of Surety) for 20% of the total estimate amount if the contract is awarded to its principal. The consent of surety must not contain any conditions or reservations, other than the condition that the contract is to be awarded to the Bidding Vendor. Failure to submit the consent of surety will result in immediate rejection of a vendor's bid.

Proposed Pricing: The bid will be evaluated on the aggressiveness of pricing offered by Bidder. **Only those bids which are deemed satisfactory (passing) as to all other criteria will be reviewed for pricing.**

2.22 ADDENDUM AND SUPPLEMENT TO INVITATION TO BID:

If it becomes necessary or advisable to revise any part of this IFB or if additional data is necessary to enable the exact interpretation of provisions of this IFB, revisions will be provided in the form of an Addendum. If revisions are made after any Pre-Bid conference, the revisions will be provided to those Contractors of record.

Addendum information is available over the Internet at www.willcountyillinois.com and www.DemandStar.com. Adobe Acrobat® Reader may be required to view this document. We strongly suggest that you check for any addenda a minimum seven (7) working days in advance of the bid deadline.

2.23 CHANGES:

The County reserves the right to make any desired change in the specifications after the same shall have been put under contract; but the change so made, with the price to be added or deducted from the contract price, therefore, shall be agreed upon in advance between the County and the successful Contractor.

2.24 CONTRACTOR PERFORMANCE:

The Instructions to Bidders, Bid Form, General Conditions, Special Conditions, contract specifications and attached exhibits, together with the approved purchase order shall constitute the Contract. All items shall be supplied in strict accordance with the specifications. The Contractor's performance under the terms of this Contract shall be to the satisfaction of the County.

The County of Will shall not hold Contractor liable for an extraordinary interruption of events, or damage of County property, by a natural cause that cannot be reasonably foreseen or prevented; i.e., droughts, floods, severe weather phenomena, etcetera.

2.30 HOLDING OF BIDS:

Bidder may withdraw the bid at any time prior to the time specified as the closing time for the receipt of bids. However, no Bidder shall withdraw or cancel the bid for a period of sixty (60) calendar days after said closing time for the receipt of bids. Unauthorized withdrawal may result in forfeiture of the bid bond, or if no bid bond is required, the withdrawing Bidder shall pay the sum of \$500 as liquidated damages for the County's loss in rebidding.

2.31 INDEMNITY:

The FSMC shall, at all times, fully indemnify, hold harmless, and defend the County and its officers, members, agents, and employees from and against any and all claims and demands, actions, causes of action, and cost and fees of any character whatsoever made by anyone whomsoever on account of or in any way growing out of the performance of this contract by the FSMC and its employees, or because of any act or omission, neglect or misconduct of the FSMC, its employees and agents or its subcontractors including, but not limited to, any claims that may be made by the employees themselves for injuries to their person or property or otherwise.

SECTION 16
TERMS AND TERMINATION

- 16.1 This Contract is effective for a one-year period commencing August 3, 2018, or upon written acceptance of the Contract, whichever occurs last, through August 2, 2019, (the "Term"), with options to renew yearly not to exceed two (2) additional years (each a renewal "Term").
- 16.2 Renewal of this Contract is contingent upon the fulfillment of all Contract provisions relating to USDA Foods.
- 16.3 Either the County or FSMC can terminate this Contract for cause or for convenience with a sixty-(60) day written notification. Following sixty-(60) day written notification, the County can terminate this Contract in whole or in part without the payment of any penalty or incurring any further obligation to the FSMC.
- 16.4 Following any termination for convenience, the FSMC shall be entitled to compensation for services completed upon submission of invoices and proof of claim for services provided under this Contract up to and including the date of termination. The County shall have the right to receive services from the Contractor through the effective date of the notice of termination, and may, at its election, procure such work from other contractors as may be necessary to complete the services.
- 16.5 Notwithstanding any provision to the contrary in this Contract, obligations of the County will cease immediately without penalty of further payment being required if sufficient funds for this Agreement are not appropriated by the Illinois General Assembly or a federal funding source, or such funds are otherwise not made available to the County for payments in accordance with this Contract.
- 16.6 Notwithstanding the notice period in paragraph 16.3, the County may immediately terminate the Contract, in whole or in part, upon notice to the FSMC if the County determines that the actions, or failure to act, of the FSMC, its agents, employees or subcontractors have caused, or reasonably could cause jeopardy to health, safety, or property; or if the County determines that the FSMC lacks the financial resources to perform under the Contract.
- 16.7 If the FSMC fails to perform to the County's satisfaction any material requirement of this Contract or is in violation of a material provision of this Contract, the County shall provide written notice to the FSMC requesting that the breach of noncompliance be remedied within sixty- (60) days. If the breach or noncompliance is not remedied by the specified period of time, the County may either: (a) immediately terminate the Contract without additional written notice or, (b) enforce the terms and conditions of the Contract, and in either event seek any available legal or equitable remedies and damages. The County may finish the services by whatever method the County may deem expedient. Any damages incurred by the County as a result of any Contractor default shall be borne by the Contractor at its sole cost and expense, shall not be payable as part of the Contract amount, and shall be reimbursed to the County by the Contractor upon demand.
- 16.8 Neither the FSMC nor the County shall be responsible for any losses resulting if the fulfillment of the terms of the Contract is delayed or prevented by wars, acts of public enemies, strikes, fires, floods, acts of God, or any other acts which could not have been prevented by the exercise of due diligence ("Act of God"). The County may cancel the Contract without penalty if the FSMC's performance does not resume within thirty (30) days of the FSMC's interruption of services due to an Act of God.

- 16.9 The only rates and fees that may be adjusted in subsequent Contract Terms are the fixed rates and fixed fees contained herein. Before any fixed rate or fee adjustments can be implemented as part of a Contract renewal agreement, the FSMC shall document to the County, through a written financial analysis, the need for such adjustments. Adjustment of all individual per meal fixed rates and applicable fees in subsequent Contract Terms must not exceed up to 5% of the prior fiscal year (May – April) average of the *Consumer Price Index for Urban Consumers – Food Away From Home*. Percentage increases cannot be applied to any previous Contract Term’s total estimated or actual Contract cost.
- 16.10 If the County, because of the Contractor’s breach, terminates this Contract, at any time during the contract period, the County shall have the right to purchase items elsewhere and to charge the Contractor with any additional cost incurred, including but not limited to the cost of cover, incidental and consequential damages and the cost of re-bidding. The County may offset these additional costs against any sums otherwise due to the Contractor.

If the County of Will fails to appropriate funds to enable continued payment of multi-year Contracts the County may cancel, without termination charges provided Contractor received at least thirty (30) days prior written notice of termination.

16.11 TRANSFER OF OWNERSHIP OR ASSIGNMENT:

17.14 **ILLINOIS FREEDOM OF INFORMATION ACT**

Any and all submissions to the County of Will become the property of the County of Will and these and any late submissions will not be returned. Your proposal will be open to the public under the Illinois Freedom of Information Act (FOIA) (5 ILCS 140) and other applicable laws and rules, unless you request in your proposal that we treat certain information as exempt. We will not honor requests to exempt entire proposals. You must show the specific grounds in FOIA or other law or rule that support exempt treatment. If you request exempt treatment, you must submit an additional copy of the proposal with exempt information deleted. This copy must tell the general nature of the material removed and shall retain as much of the proposal as possible. In the event the County of Will receives a request for a document submitted, the County of Will shall provide notice to contractor as soon as practicable. Regardless, contractor will be responsible for any costs or damages associated with defending your request for exempt treatment. Furthermore, contractor warrants that County of Will's responses to requests for a document submitted that is not requested to be exempt will not violate the rights of any third party.

In order for the County to respond timely and appropriately to the requirements of the Illinois Freedom of Information Act (FOIA) [5 ILCS 140], the FSMC must review all documents required to be provided under this Contract and the exemptions for release under FOIA and, if exemptions are allowed, provide the County a redacted copy for release under FOIA, along with the original. The redacted copy shall be marked "REDACTED", and the FSMC shall reference the specific grounds under FOIA or other law or rule supporting the specific redaction request to exempt certain information. Notwithstanding the foregoing, the County may not necessarily be allowed to release *just* the redacted versions. Redactions based on personal privacy and preliminary drafts, by law, must be sent to the State of Illinois Public Access Counselor before a denial to the FOIA request can be made. The County will abide by the decisions of the Public Access Counselor.

Please be advised that if your proposal is accepted by the County of Will all related records maintained by, provided to, or required to be provided to the County of Will during the contract duration are subject to FOIA. In the event the County of Will receives a request for a document relating to contractor, its provision of services, or the arranging for the provision of services, the County of Will shall provide notice to contractor as soon as practicable and, within the period available under FOIA, contractor must then identify those records, or portions thereof, that it in good faith believes to be exempt from production and the justification for such exemption. The FSMC shall then promptly turn over such records to the County, within the time period prescribed by FOIA.
